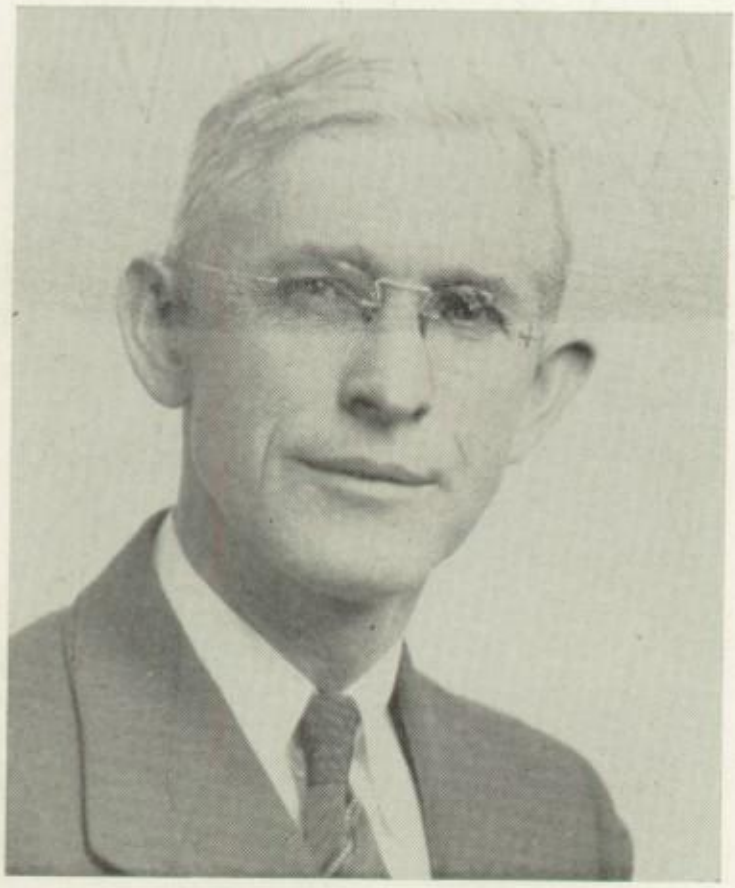
ADMINISTRATION



Supervising Principal

George W. Stephens

Mr. G. W. Stephens, supervising principal, devotes all his time and energy to the continuation of his high educational ideals for the young people of today. His work in this field reaches its apex in the fine results obtained in Conemaugh Township.

He received his B. S. at West Chester College and has done graduate work at Columbia University.

Now that the war is over, we are trying to get back to normalcy. These have been trying times and many sacrifices have been made both at home and at the front.

Unless we are able to do straight thinking and line up our actions accordingly, we will lose all for which we have fought and sacrificed.

Education is the best means through which this can be done. Our country offers to every boy and girl at least a high school education. Any offering less than this weakens us as a nation. Let us be strong.

G. W. Stephens

PRINCIPAL

JAMES W. SPORY

As acting principal and wrestling Coach, Mr. Spory has shown the students by his example in both offices the exemplifications of typical Americanism.

He holds a B. S. and M. Ed. from the University of Pittsburgh.

Your past several years of school work were done during a period of world conflict which was disconcerting and not conducive to good work. Your school has guided you to the completion of your course (through controlled circumstances.) You now face a world confronted with the problem of establishing a basis for a just peace. How well you adjust yourself to the circumstances facing you is dependent upon how well you cleave to the course charted for you by those who have dedicated their lives to that end.

J. W. Spory

School Board

After Fred Seeman resigned as president, Charles Spory was elected to take his place. Mr. Seeman is serving his first term on the board while Mr. Spory is serving his second.

R. G. Boyts, acting as vice president, is completing his first term. Filling the position as secretary is William Hammers who is serving his fifth term. He has served on the board longer than any of the other members. Earl Mishler, treasurer is completing his third term. Harold Carroll and Dr. Backman are the new members to serve as school directors.

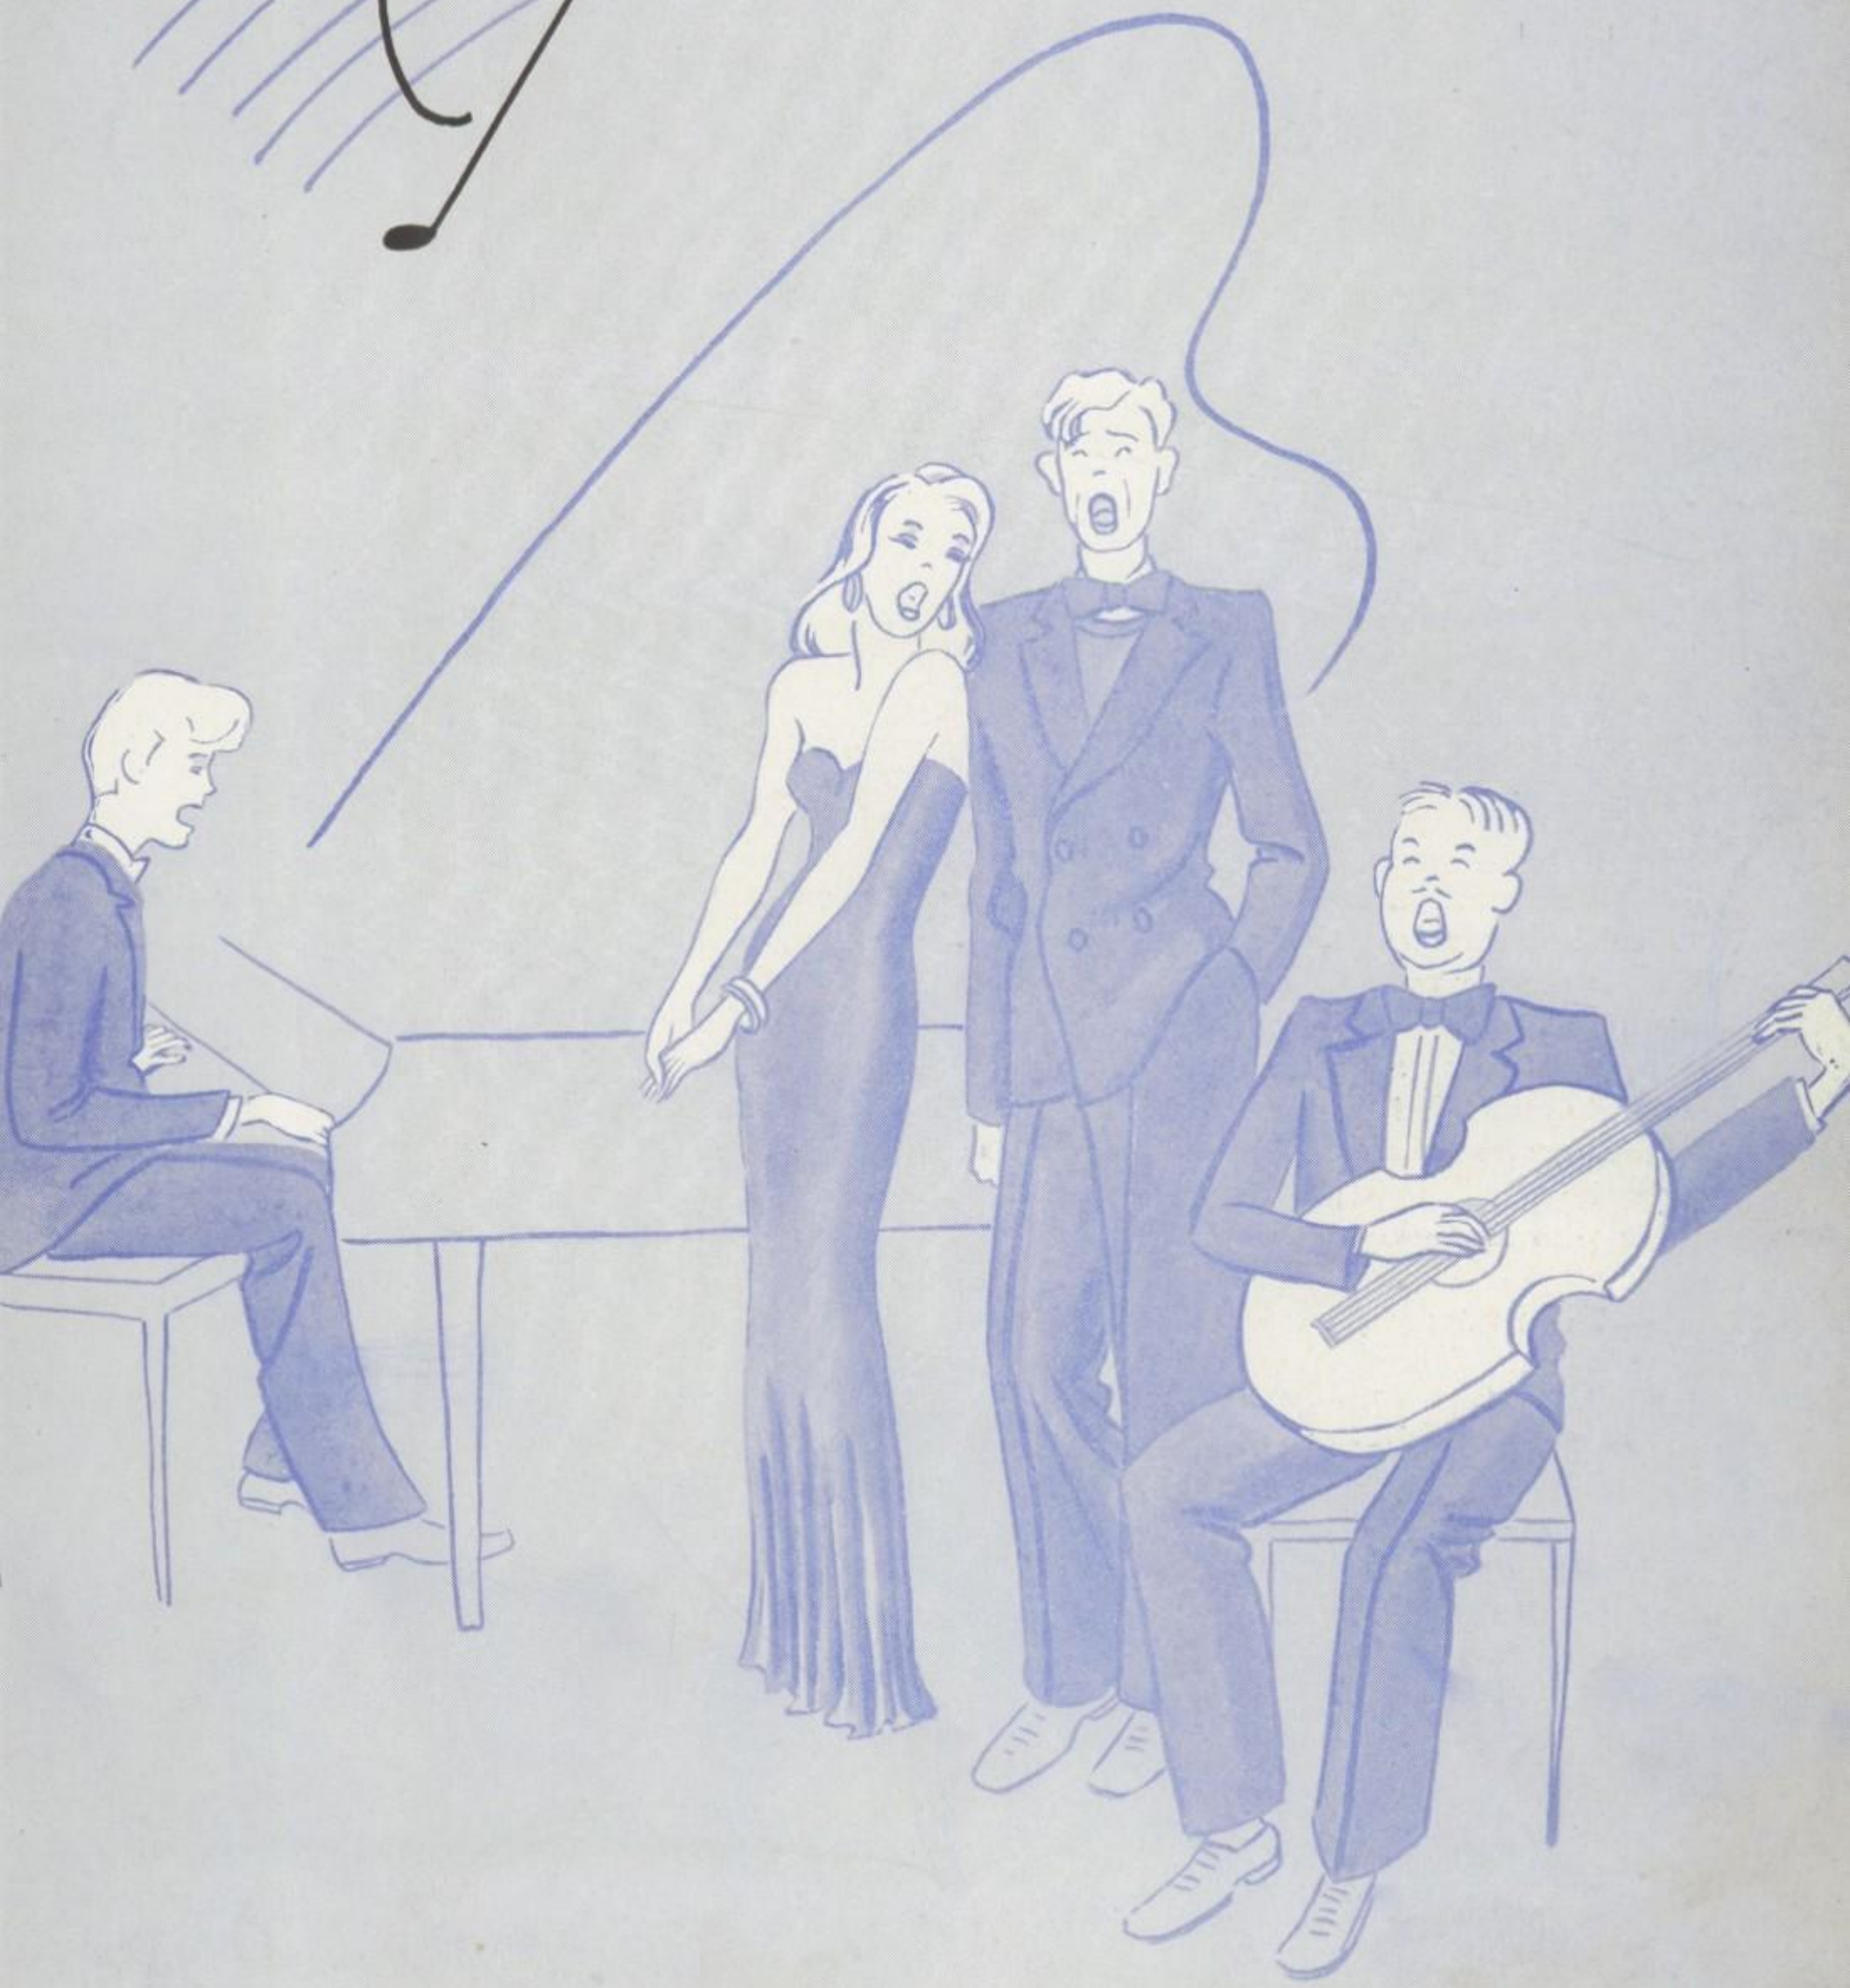
CONNUMACH STAFF

The gay theme Music set the pace for the 1946 Connumach. Editor Esther Donati heard — off and on — notes of discord but when spring arrived, harmony ruled and the book was sent to press. The following staff started work the first week of school. Editorial Staff — Dick Stahl, D. Riddle, J. Mishler, V. Cubranich, J. Ringler, E. Nicolli, M. Barbin, D. Washic, D. McNutt, R. Kaufman, G. Kocher. Under Business Manager Almeda McDaniels were J. Szala, M. Turkall, S. Meyers, H. Rist, H. Nosal, J. Huston, B. Cauffiel, P. Neiderhiser, G. Griffith, S. Zabo. The Art Staff included T. Fish, P. Miguet, P. Gironda, A. Tonolini and on the Photography Staff were R. Rullo, R. Barndt, N. Kaufman, J. Arison, C. Govaker.

"Here we will sit and let sounds of music Creep in our ears."

CLASSES



SENIOR CLASS OFFICERS

Hard work and sacrifice, fun and good times have made up the past six years for these students. There was much grumbling and complaining, but nevertheless the seniors all agree that the days marched by much too swiftly. Just yesterday, they entered C. T. H. S. as bewildered seventh graders, wondering what would happen next. Today, they have become the leading class, an inspiration to those who will follow. Tomorrow, they will leave the halls of their Alma Mater, to make their contribution, large or small, to society. They may not all become famous men and women, but each one has gained something very valuable to himself. High School gave them cherished memories of good times, favorite teachers, amusing incidents, and grand schoolmates who made life at C. T. H. S. wonderful.

The Senior play, a Valentine Dance, the Senior Skate at Westmont Grove, and the movie "Guadalcanal Diary" were some of the important Senior activities of the year. The class claimed the Victory Loan Queen and King, Jean Mishler and Robert Szala, and the best C. T. H. S. speller, Luda Henry, who represented the school in the County Spelling Contest, sponsored by the Somerset Daily American. Mrs. Margaret Muckley and Mr. Kenneth Thomas as deans supervised the class led by Robert Szala, president, Robert Kaltenbaugh, vice-president, Jean Mishler, secretary, and William Shetler, treasurer. When Mrs. Muckley resigned in March, Mrs. Ruth Horner replaced her as one of the senior deans.

JUNIORS

During the past year this class has by no means been inactive. On the contrary, they have sponsored the first skate of the year, the gala Christmas party, the three-act play, "A Certain Young Miss", and their Movie, "So Proudly We Hail". Aided by their deans, Mrs. Van Lohr and Mr. Curtis Greninger, this class was responsible for the many happy times that the students have had during the 1945-46 term. The principal reason for all this activity was to raise money for the Junior-Senior Prom, the main event of the year. When the class held their skating party at Westmont Grove, they had the largest crowd in the past few years. Following their success at Westmont, the class kept on the right track by getting a large crowd at their Christmas party, held in the high school gym. But did they stop here? Certainly not! They went right on with their hit of the year, the class play.

Among this group were some of Conemaugh Township's athletic stars who will probably show up well next year and help to give the Indians a winning team.

Leading the Juniors this past term were Bill Stutzman, president, Stella Zabo, vice-president, Betty Ritchey, secretary, and Josephine Klimek, treasurer. These four did a good job of guiding the class and will be looking forward toward giving more service to the class next year.

To the class who will step into the top spot next year we say, "Good luck. We know you'll be a real asset to the school."

SOPHOMORES

The Sophomore Class had a late start in organizing but is well upon its way to becoming an outstanding class in leadership and activities.

They have already shown their ability to produce valuable football and basketball material.

With a class of a hundred fifteen members, the Sophomores elected Miss Shaffer and Mr. Hanna as their class deans. The positions of offices of the class were filled by Jack Korns, president, Annabelle Racosky, vice-president, Inez Rullo, secretary and Theodore Carrico, treasurer. Capable leadership is found in this class.

A Skating Party was held in the Westmont Grove as a final event of the year. This party gave the Sophomores a good financial start and it is with great sincerity the Seniors say: "Much success to next year's juniors."

SOPHMORE CLASS

My, how industrious they look. They actually look as though they are studying, don't they? Such consulation! It seems this class is taking a test and a hard one at that. We all presume it was given by Mr. Thomas; you know his tests! How do we come to that conclusion? Just note the position in which the class is sitting; note the hands on their heads as though they were waiting for answers to pop; and last, note the frowns. Yes, with all that, how could it be anything but a test. Poor Kids!

Under the direction of Mrs. Van Lohr it appeared in most assemblies, performed at every football game with clever maneuvers, and made a hit at the Spring Concert. With their snappy uniforms, novel drills, and perfect unison, the band made a very colorful appearance. Officers for the year were: Bob Kaltenbaugh, president; Gaynelle Kocher, vice-president, Stella Zabo and Grace Stahl, secretaries; Joan Verna, treasurer; and Kathryn Holak, Junior Bendinelli, and Ellis Croyle, librarians. Members of the band lost by graduation were: Bob Kaltenbaugh, Robert Barndt, Dave Williamson, Emma Petet, Beverly Walter, Clyde Good, Gaynelle Kocher, Joan Huston, and Jean Mishler. Although members of this year's Jazz Band were quite inexperienced, they often showed their ability. The officers for the year were:—President Gaynelle Kocher; Vice-President Jean Mishler; Secretary-Treasurer Emma Petet; and Librarians Louis Borelle and Billy Todero under the direction of Mrs. Van Lohr. This swing group gave a grand performance at the Christmas dance and between the acts of the junior and senior plays. Rehearsing during club period, the members practiced diligently. Many new song arrangements were purchased, including "Till the End of Time" which was a high-light at the Annual Concert. The entire Jazz Band includes the accompanist Gaynelle Kocher, Delbert McGarvy, Bill Todero, Emma Petet, Coleen Meyers, and Donna Naugle in the first row. Sitting in the second row is Bob Kaltenbaugh, Norma Marchi, Joan Sipple, Louis Borelle, Joan Huston, and Ruth Smith. James Glessner plays the drums and Dave Williamson the bass fiddle.

With the addition this year of many new boys who added their voices, the Senior High Chorus learned many difficult numbers. Best liked song among the boys was "Water Boy" while the girls enjoyed singing Fred Waring's arrangement of "Now The Day Is Over". Their rendition of the "Cherubim Song" in the Spring Concert was very impressive. Officers for the term were: President Bob Van Divender; Vice-President Esther Donati; Secretary-Treasurer Avon Pugh; and Librarians Josephine Szala and Florence Negast. Carolyn Baer was accompanist.

With weekly practices, the members of the Junior High Chorus trained as future Senior High Choristers. They appeared in assemblies several times. Anna Moore was accompanist and the officers were: President Loretta Patula; Vice-President Betty Marie Eckhoff; Secretary-Treasurer Anna Moore; and Librarians Barby Lou Coughenour and Shirley Griffith.

CROWNING OF VICTORY LOAN KING AND QUEEN

In a formal ceremony on February 8, 1946, Jean Mishler and Robert Szala were crowned the Queen and King of the Victory Campaign. They proved to be the popular choice of the students who bought victory bonds and stamps in honor of their favorites from a list of four boys and four girls. The other candidates for King and Queen were Esther Donati, Elizabeth Miguet, Betty Ritchey, Sam English, Dick Stahl, and Bill Stutzman.

In a royal fashion, the Queen and King were entertained by and received gifts from six of the school's organizations: The Band, CONTOWNIAN Staff, Foods Department, School Store, G. A. A., and CONNUMACH Staff.

The senior play, "The Fighting Littles", directed and produced by Miss Verda P. Long was presented on May 17 in the school auditorium. The Littles are a family with opinions of their own, with temperaments to express themselves. To start the ball rolling, Daddy Little finds all his daughter's friends young hoodleems and Ham Ellers "the worst one." Ironically, Ham is the fellow Goody, his daughter, chooses. Mr. Little has his own candidate for his daughter's affections, Norman Peel, so in desperation Goody tries to be the right kind of a daughter. Then there is Filmer, who can't keep out of trouble, and has the urge to be a hero or a villian. Filmer has his own trouble with love, quite as desperate to him as Goody's to her. Through three acts the quick-tempered Littles squabble their way through differences in viewpoint and ridiculous situations. Finally, Mr. Little finds that young folk aren't all "going to the dogs" after all.

This play based on Booth Tarkington's novel had the following cast: Ham Ellers is portrayed by Robert Van Divender; Mr. Little by Robert Barndt; Filmer by James Weaver; Norman Peel by Richard Stahl; Dicky Harpeddle by Neil Kaufman; Goody by Gaynelle Kocher; Mrs. Little by Helen Starvish; Cousin Olita by Rachel Lou Kauffman; Henrietta Peller by Marian Barbin; Antoniette by Elizabeth Miguet; Mrs. Harpeddle by Betty Stevens; Miss Uologa by Dorothy Huff; Almatina by Elizabeth Unger, Cockoo by Lucy Capretti and Screwball by Mary Sepety.

"A Certain Young Miss" was presented by the Junior Class on Valentine Day under the supervision of Miss Verda P. Long,

This is a story of a fourteen year old "Certain Young Miss" named Tabbie Phillips, portrayed by Betty Ritchey who gets herself involved in all the family troubles and of course adds to them herself. Finally, she manages to straighten things out and all ends well. Other members in supporting roles were: Avon Pugh as Pert, Tabbie's pal; Lucille Kubasik as Midge, also Tabbie's friend; Colleen Meyers as Beola, the Phillips' hired girl; Mike Pipta as Dolph Potter, the mailman who was in love with Beola; Florence Negast as Nella Warren, Tabbie's married sister; Joan Stephenson as Mrs. Winifred Phillips, their mother; Joe Gaudlip as Spencer Phillips, Tabbie's brother who wrote "Pittsburgh, It Smells"; Norma Marchi as Melinda Phillips, Tabbie's sister; Mike Gallo as Ned Warren, Nella's husband; James Glessner as Bernard Crossley, the famous author; Stella Zabo as Mrs. Darrington, the town's social leader; Alfred Mantini as Charles, her spoiled son; Bill Stutzman as Larry Maddox, the gaucho from the wide open spaces. The action of the entire play occurred in the living room of the Phillips' home in New Andover, Connecticut.

Music was presented between acts under the direction of Mrs. Van Lohr and credit is given to Miss Barbara Ward for the stage set and to Sam English, Lou Samfilippo and Steve Sendek as stage managers.

The CONTOWNIAN, the school newspaper published every two weeks by the journalism II and III students, was printed for the first time in off-set lithography at The Charles Henry Printing Company, Greensburg, Pa. Pictures of students and school activities added life and color to the paper.

Holding symposium interviews and keeping abreast of the C. T. H. S. social life and news kept the editor and his staff on their toes. When the staff couldn't track down news they made it. For instance, to defray expenses they added an advertising page to the four-page paper the second semester. An eight-page pictorial basketball magazine was issued in January.

Editor Bob Kaltenbaugh, relinquishes his desk and pencil to next year's CONTOWNIAN editor — Joan Verna. "Good reporting and happy dead-lines — Joan."

Members of the staff are as follows: Editor-in-Chief — Bob Kaltenbaugh, Associate Editor — Dorothy Washic, Photography Editor — Joan Verna, Business Manager — Doris Eash, Circulation Manager — Dorothy Everett, Sports Editor — Robert Barndt, Feature Editor — Jean Mishler, News Editor — Walter Drzewiecki, Editorial Editor — James Rose, and Reporters — Helen Webb, Betty Rogers, Robert Dixon, and Shirley Mardis.

All school banking is done during the third and fifth periods of every day by Banker Rhoda Horner assisted by the Junior member Betty Hershberger. Mrs. Muckley has been sponsor of the bank for the second consecutive year, but upon her resignation, Miss Graziano was placed in charge of it.

Twice a year each C. T. H. S. organization has its bank book balanced. The gate receipts of all activities in C. T. H. S., is turned over to these bankers who check and double check the amount; then they deposit it to the proper organization.

This is a great responsibility and these girls proved themselves most trustworthy. We proudly say that they have done a grand job.

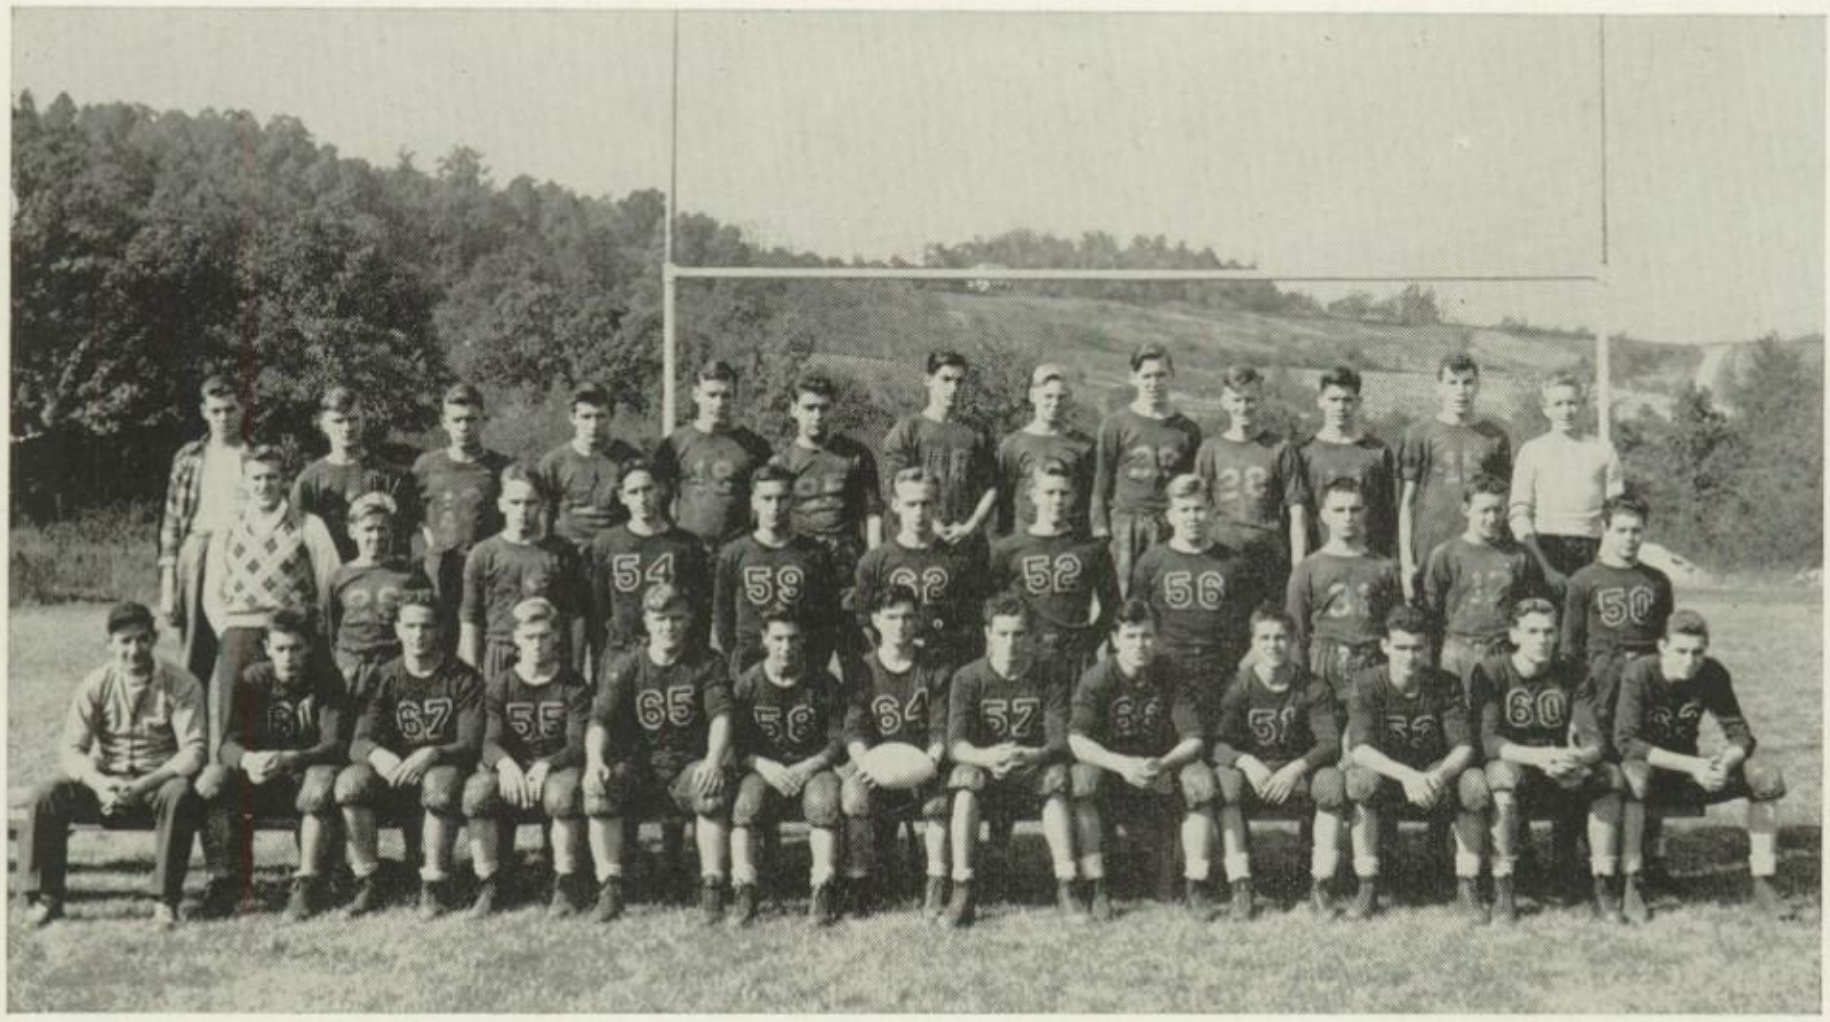
ATHLETICS



FIRST ROW—Coach Hanna, E. Morelli, M. Gallo, W. Young, R. Urban, T. Capretti, B. Carrico, R. Rullo, R. Szala, A. Kalmanir, E. Lloyd, R. Cugini, R. Kephart. SECOND ROW—E. Drzewiecki, E. Holoka, D. Coach Hanna's third year at C. T. H. S. showed a good football team and record of six games won, three lost, and one tied.

A week before school opened the boys were put through some very rigid training at football camp. Although they worked hard at camp they enjoyed it immensely. Different captains were chosen before each game of the season. This was done in order to give all senior players a chance to play the role of captain.

The Braves who will be leaving the Alma Mater to go their separate ways are: Ronald Kephart, Robert Szala, Robert Urban, Richard Rullo, Andy Kalmanir, Edward Lloyd, William Cobaugh, who left for the Marines the first of the year, Warren Young, and Eugene Morelli.

Robert Szala was chosen on the first line of the All Star Team and Andy Kalmanir took a position on the second team as a back. Honorable mention was given to the remainder of the team.

Coach Hanna

The lettermen who will make up next year's team are: Richard Cugini, Bender Carrico, Mike Gallo, William Stutzman, Tony Capretti, Rodney Lintz, and Orville Carnahan.

Mr. Howard Helsel, who has been Faculty Manager for five years regulates game schedules, attends to the Athletic Association's finances, and is responsible for purchasing athletic awards and equipment.

Louis Hanna who has been the football and basketball coach at Conemaugh Township for the past three years has led the Indians through numerous victories and defeats. He possesses all qualities of good sportsmanship.

Along with the duties as supervisor of the Varsity "C" Club, he was elected dean of the sophomore class.

"It's a busy life — if you don't believe me, try it," says Coach.

FOOTBALL SCORES

CONEMAUGH TWP.—0 JOHNSTOWN—7

In their opening game Coach Hanna's Warriors held the strong Johnstown Trojans to a single touchdown. Great defensive play of the braves was outstanding in this game along with a 58-yard run by Kalmanir.

CONEMAUGH TWP.—33 BOSWELL—0

The Indians had very little trouble pinning a defeat on the Boswell Bears. Coach Hanna's numerous substitutions held down the score.

CONEMAUGH TWP.—0 FERNDALE—6

With forty-five seconds left to play, the Ferndale Stingers stung the Braves by a 6-0 margin. The Townshippers had a total of thirteen first downs and 297 yards rushing and passing while the winners followed with one first down and forty seven yards of rushing and passing.

CONEMAUGH TWP.—46 EBENSBURG—0

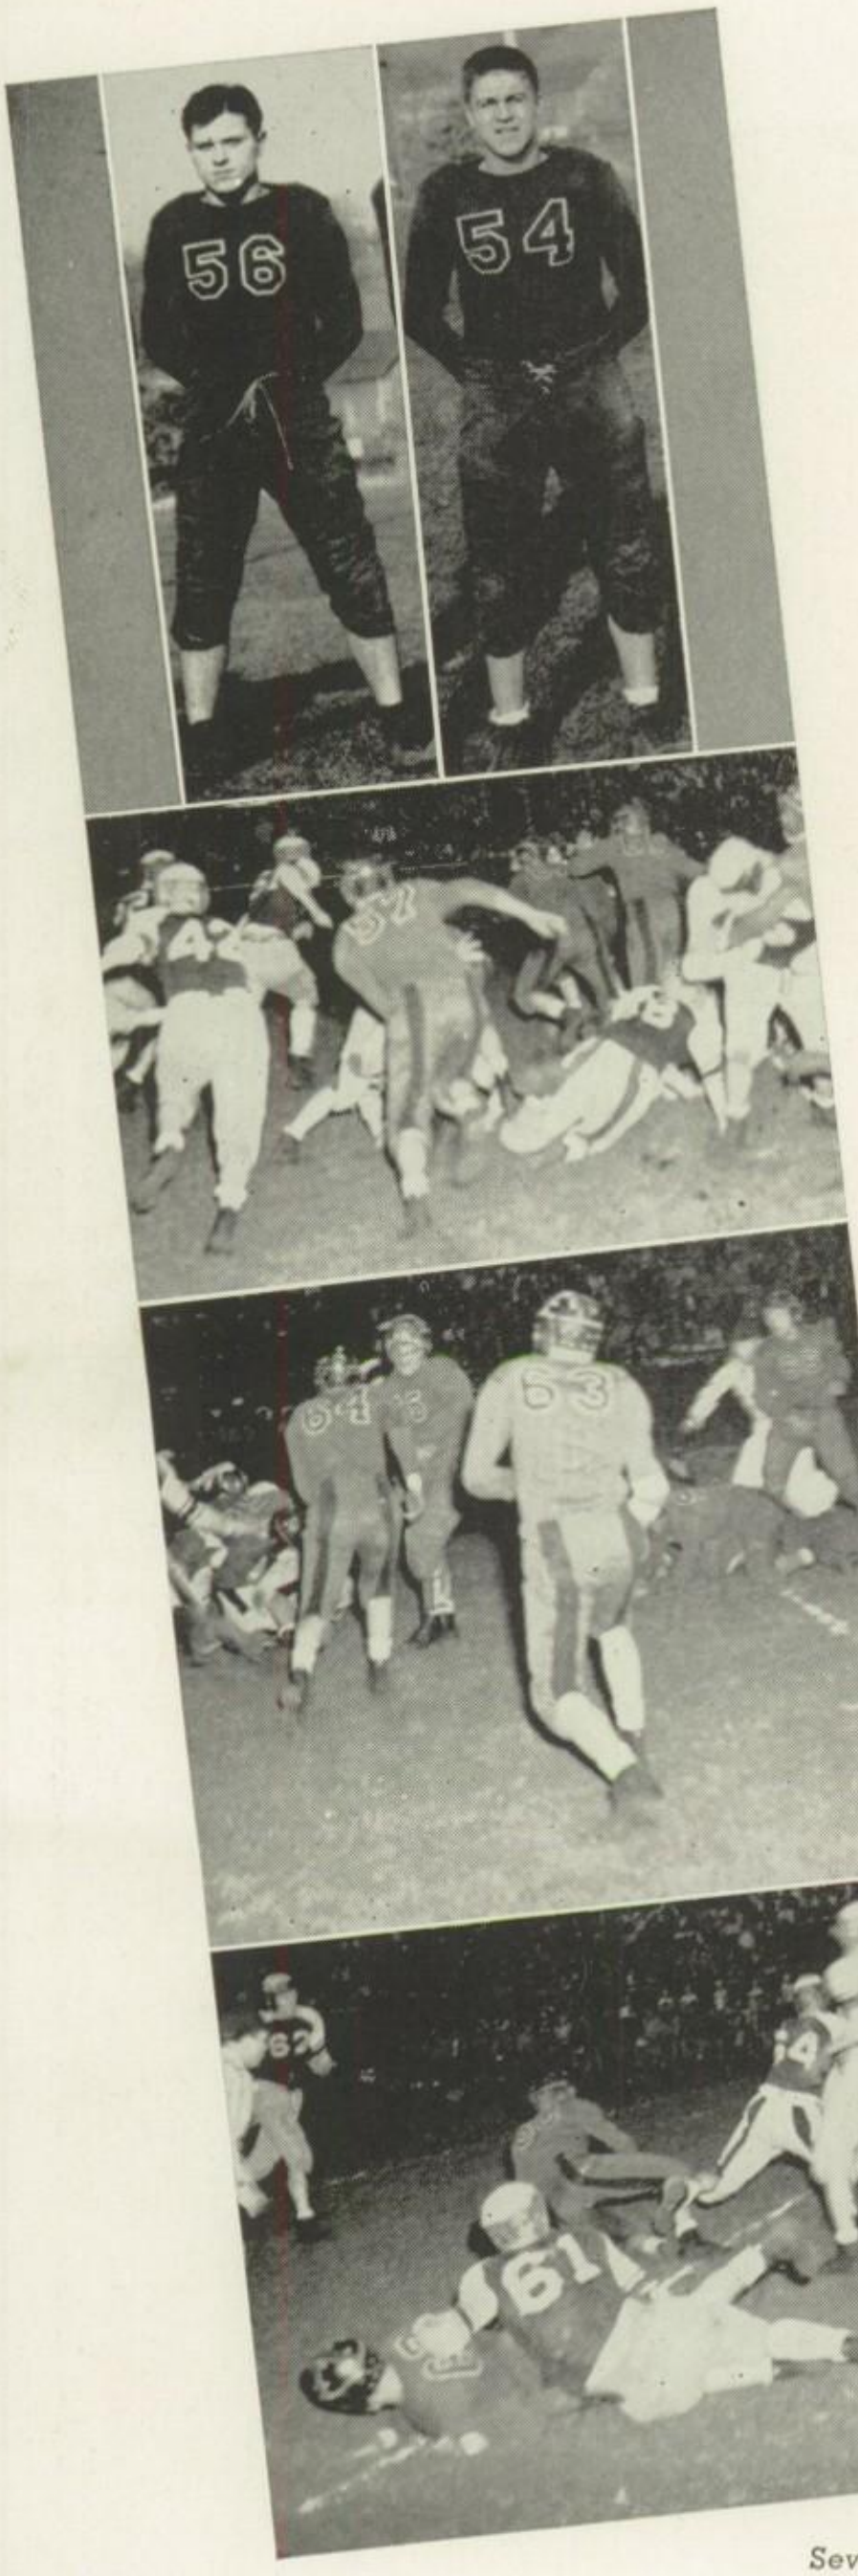
Chief Hanna was doubtful as to whether his Indians would win — but his doubt was short-lived. Running Deer Eddie Lloyd galloped sixty yards for one of the seven touchdowns on the first scrimmage play of the game.

CONEMAUGH TWP.—0 WESTMONT—0

Although it was a very close game, neither team could score against each other nor go beyond the twenty yard line. The first downs and yardages were approximately even.

CONEMAUGH TWP.—38 PORTAGE—0

Hanna's tribesmen could not be stopped from running, passing and defending. Many fumbles were made by the Portage Bulldogs and three were recovered by the Redskins who scored.



CONEMAUGH TWP.—13 SHADE TWP.—0

Even though the margin was only two touch-downs Conemaugh Twp. easily subdued Shade Twp. in a listless game. Kalmanir's thirty yard pass to Kephart and Lloyd's three yard drive provided the margin of victory.

Rullo was the outstanding defensive man and constantly played havoc with the Shade offense.

CONEMAUGH TWP.—33 CONEMAUGH—0

The Ironhorses proved to be no match for the Indians, with Yewcic's passes being bottled up completely. The Indians stayed on their warpath until they featured their fifth touch-down margin. The visitors played their first game on our home field.

CONEMAUGH TWP.—13 SOMERSET—0

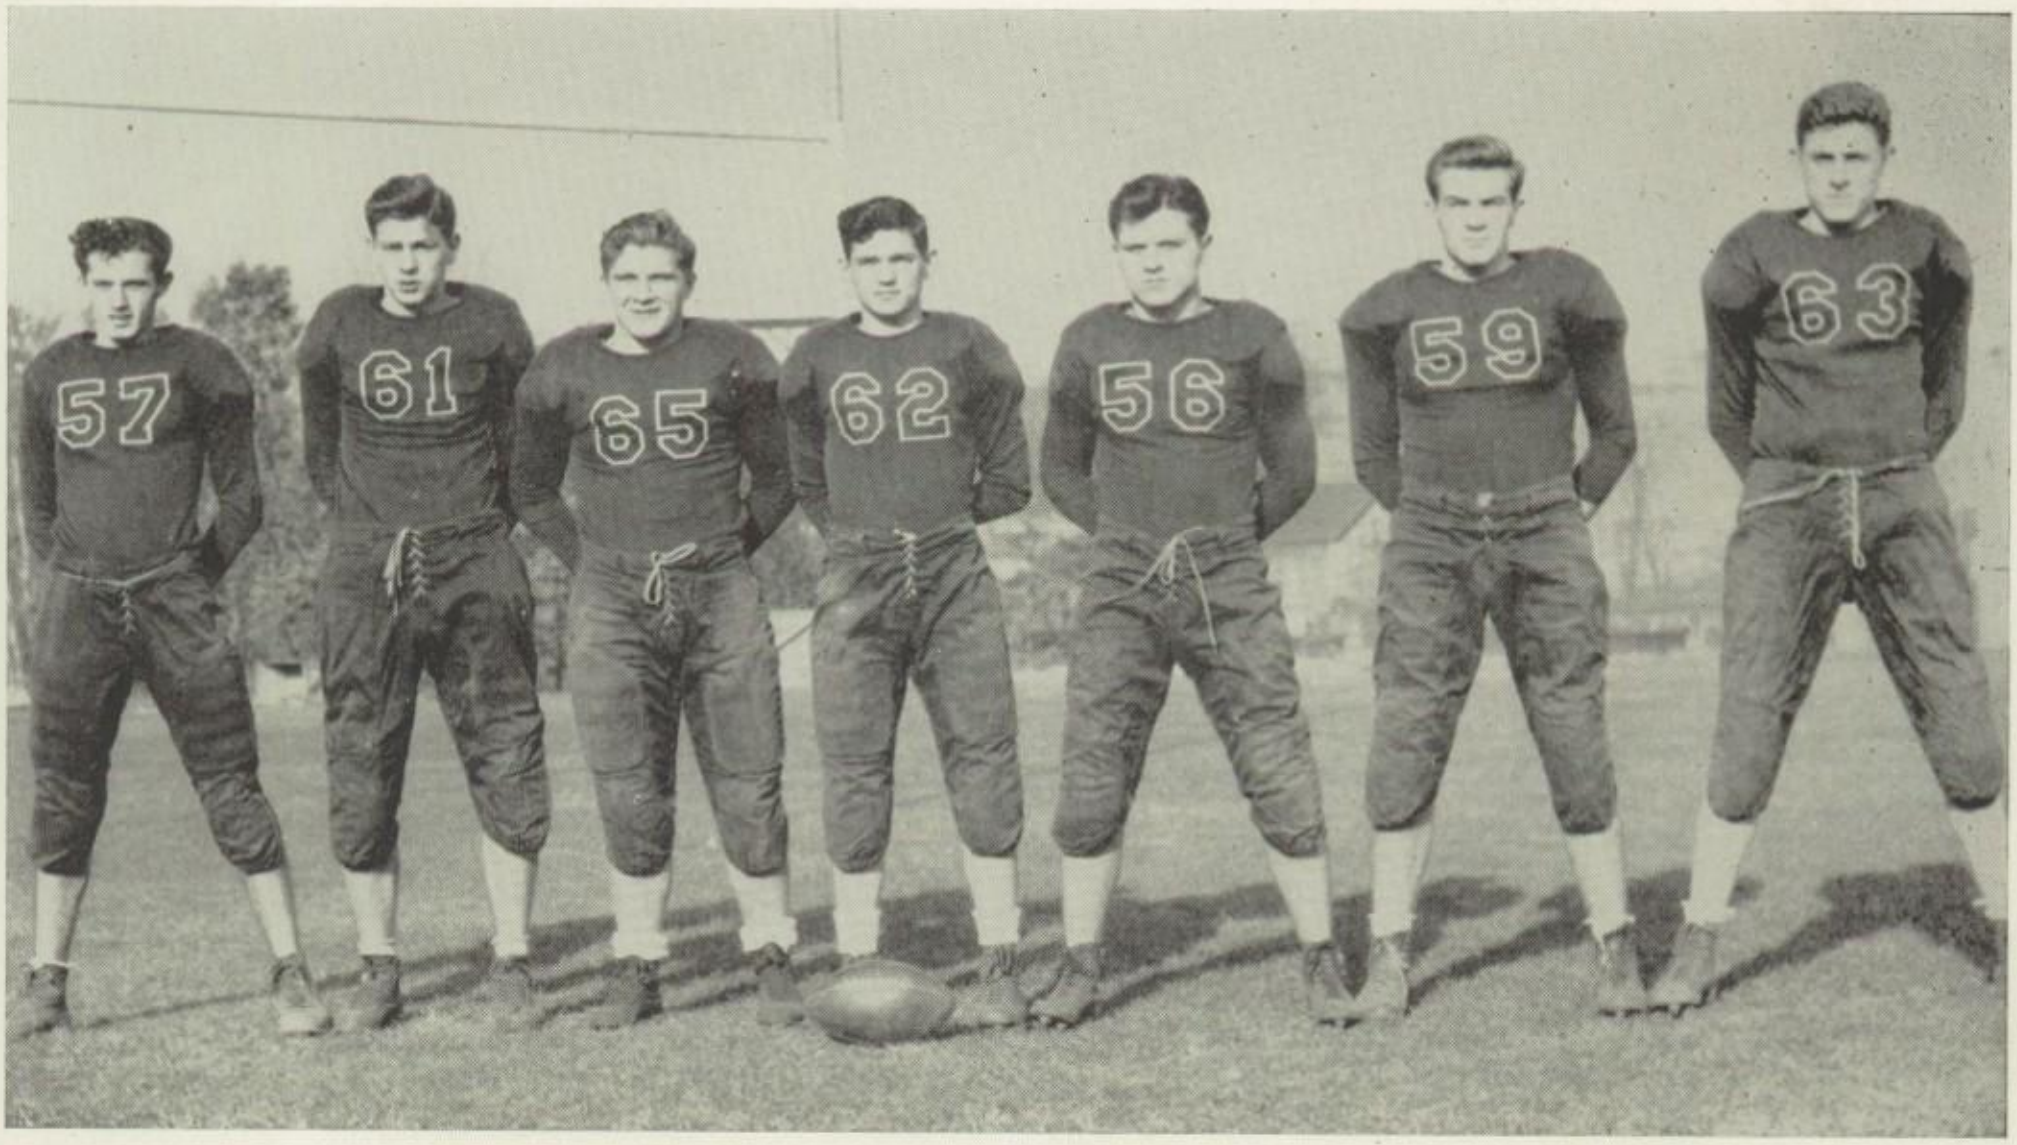
A strong line led by guards, Urban and Szala, was the determining factor in the 13-0 defeat for the Somerset Eagles. Lloyd's thirty-two yard run after receiving a lateral from Kalmanir was the featured play.

CONEMAUGH TWP.—0 WINDBER—14

Eight senior boys faced a defeat in the most important game of their high school career. The Ramblers proved too tough for the Pale-faced Elevens. Two passes intercepted led to Windber's only scoring chances.

OUR LINE

Spearheaded by the two watch charm guards, Robert Szala and Robert Urban, the Indians' line earned itself an enviable reputation. Against such outstanding clubs as Johnstown and Windber, Conemaugh Township yielded only 27 points over a ten-game schedule. The sterling work of the line was the answer.



No. 57—Richard Rullo

Richard, playing his third season of varsity ball, was outstanding defensively. He was very aggressive and operated on the basis of stopping the offense before it got started. Conscientious—he never missed a practice session.

No. 61—Eugene Morelli

Eugene filled in capably toward the latter part of the season for the injured Mike Gallo. Handicapped by lack of experience, he nevertheless handled his end of the line well.

No. 65—Robert Urban

Bob was the number one reason why opponents found the middle of the Indian line tough. Not the dazzling type of a player, he is as solid as the "Rock of Gibralter". He will be missed very much.

No. 62—Theodore Carrico

Theodore, a sophomore, was a terror backing up the line. Handicapped by his lack of weight, he nevertheless plugged any holes that appeared. He's rough and tough, aggressive and fast; watch this boy in 1946 and 1947.

No. 56—Robert Szala

Bob, the district's choice for the all-star team, teamed up with Urban to form the best guard combination seen all year. He was honorably mentioned on the all-state team and worthy of it. He continually was the fifth man in our opponent's backfields.

No. 59—Richard Cugini

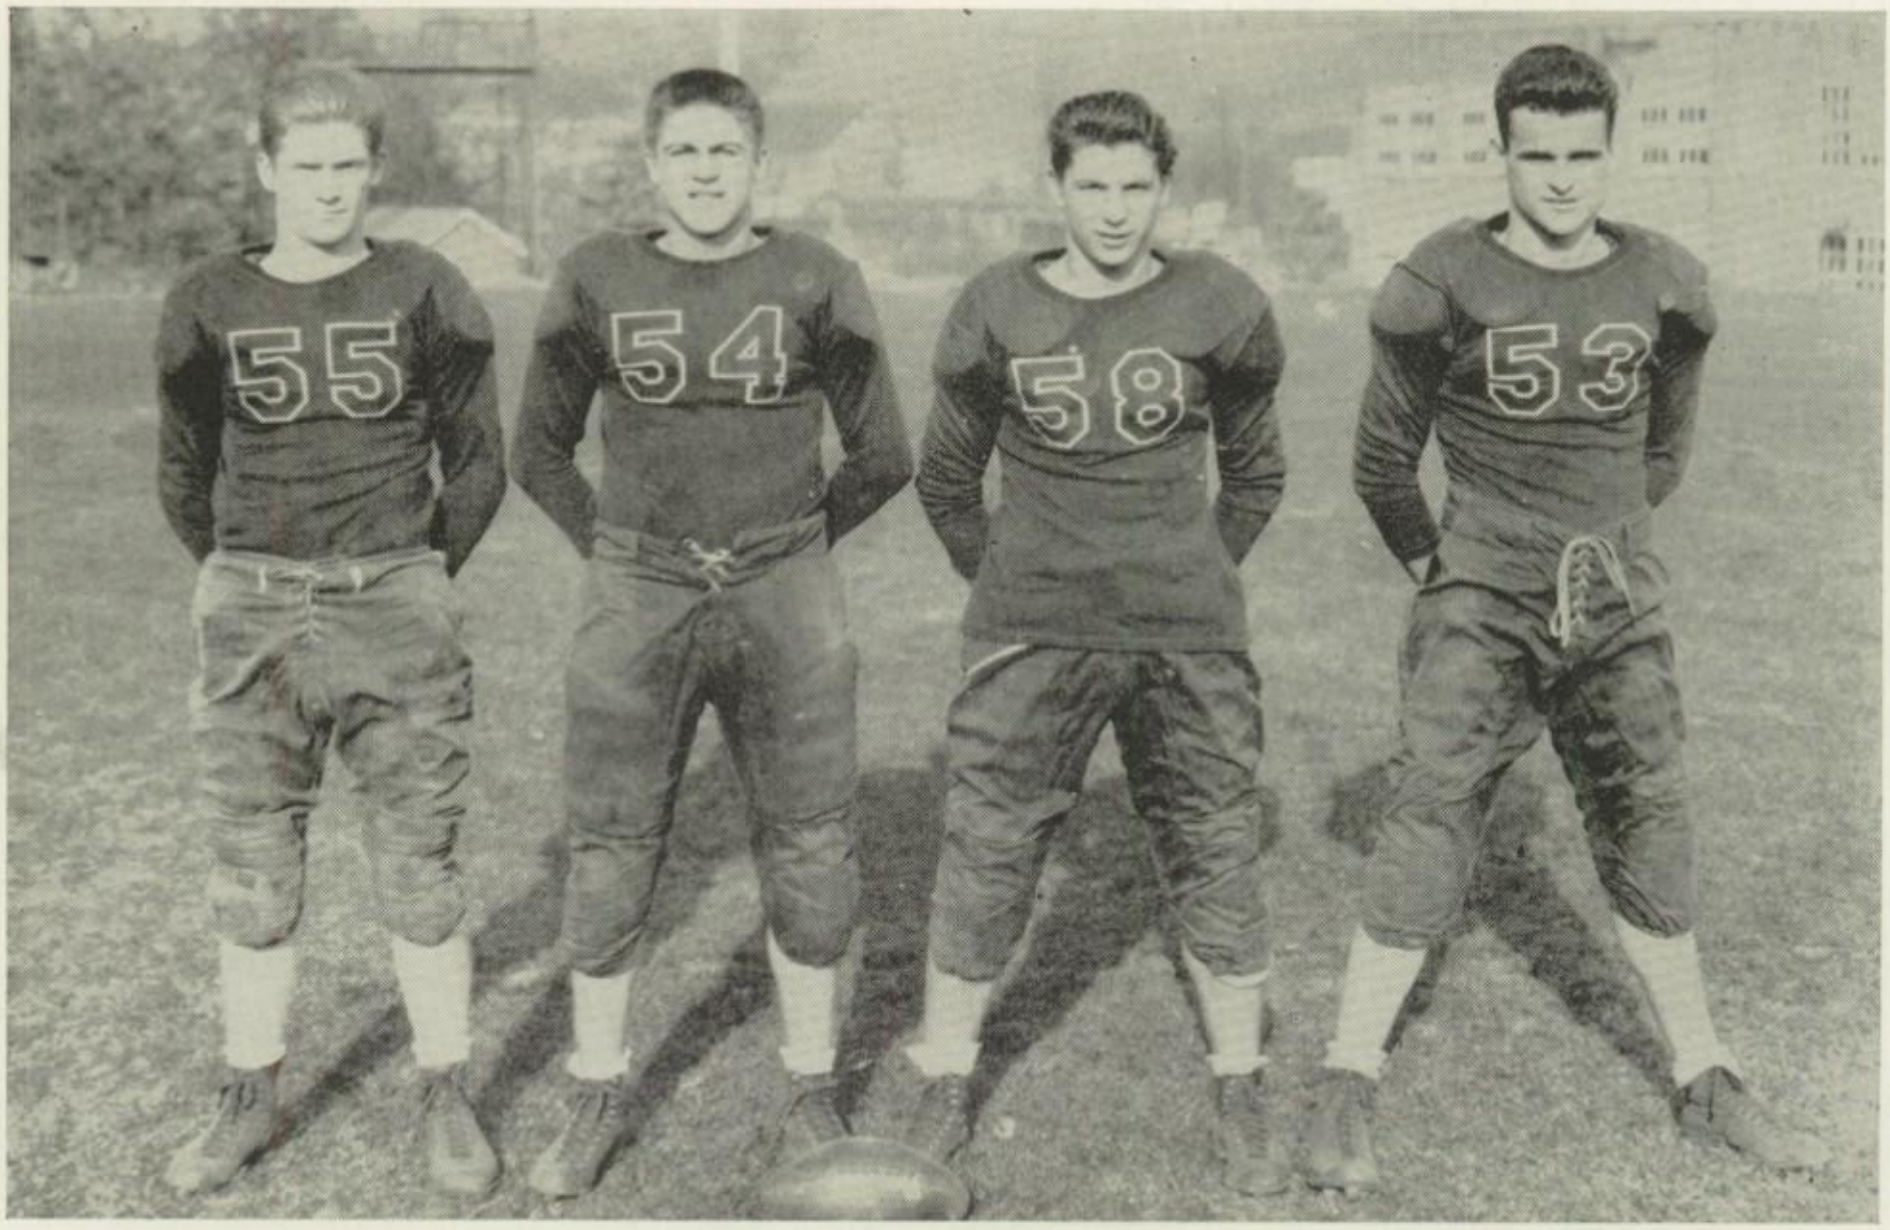
Look out for Richard in 1946. Big and tough, Dick will go to town this fall. He can play any position on the line which he proved in 1945 by moving from the center position to his tackle spot.

No. 63—Ronald Kephart

Red proved to be outstanding offensively. He scored 17 points in 1945 and excelled in pass receiving. The Indians will miss this glue-fingered end.

THE BACKS

Handicapped by the lack of weight and experience our backs nevertheless combined with the line to score a total of 176 points. Averaging approximately 140 lbs., these boys proved to be one of the lightest combinations in the district. The only letterman from 1944 was quarterback Edward Lloyd, who played halfback in 1945. Kalmanir, Capretti, Young, Stutzman, and Cobaugh were all inexperienced.



Picture left to right:

No. 55—Warren Young

"Whitey" played fullback and made up for his inexperience by his fight. Handicapped in early season by a leg injury, he ended the season with a bang.

No. 54—Andrew Kalmanir

Andy was the student manager in 1944, did an about face in 1945 to be chosen on the all-district team and was this season's leading scorer and open-field runner deluxe.

No. 58—Anthony Capretti

Tony, a sophomore, alternated with Bill Stutzman at the quarterback slot. He excelled on the defensive, was a good tackler and will improve . . . extra point specialist.

No. 53—Edward Lloyd

Eddie was one of the most under-rated backs in the district. He wasn't a razzle-dazzle player, but he could get those few yards when we needed them, and was one of the best line backers to play for C. T. H. S. He was a dynamic player, never asking for any quarter and never giving any. "Whip's" absence in 1946 will be felt.

FIRST ROW, LEFT TO RIGHT—S. English, W. Young, J. Korns, R. Kephart, A. Kalmanir. SECOND ROW—T. Carrico, J. Golden, G. Kocher, F. Wasnick, D. Cugini.

BASKETBALL 1945-46

Conemaugh Twp. High School Indians, paced by their two dimimutive forwards, Sam English and Andy Kalmanir, proved to be one of the district's better teams. Yeoman work by Ronald Kephart, Richard Cugini, Jack Korns, Warren Young, John Golden, and Theodore Carrico was also a determining factor in the team's success.

The Indians managed to win fourteen out of their twenty-one engagements, outscoring the opposition 730 to 587 points. Kalmanir paced the scoring field with 260 points, and English was second with 174 points.

Ferndale was defeated twice by 41-33 and 25-21 scores. In the first game, Kalmanir led the Indians to victory with a 20 point barrage. Conemaugh Twp. was not considered in the District 5 eliminations because of playing only six Somerset County Class A league games.

Kalmanir, English, Kephart, Young, and Golden will be lost to the team by graduation. Underclassmen returning to round out next season's varsity will be Richard Cugini, Jack Korns, Glen Kocher, Theodore Carrico, Ray Reckner, Frank Wasnick, Jack Fracos, and Tony Capretti. Cugini and Korns were starters in 1945-46.

The "Little Indians" completed their season with a record of 8 wins and 9 losses. Theodore Carrico served as captain for the Jay-vees. Two most notable wins were over Ferndale and Somerset.

During the past season, the Conemaugh Township Grapplers recorded five victories against three defeats. Many of these matmen, under the supervision of Mr. James Spory, will be returning next year. This group of wrestlers included five seniors, eight juniors, and three freshmen. The following boys made up the squad for the 1945-46 season:

ROBERT URBAN, (185-pound class), a Senior and the only Indian to cop a district championship. He served as captain of the grapplers.

ROBERT SZALA, (165-pound class), a Senior who lost in the finals of the district meet. He had one of the best records of the group with only one loss. THUR FISH, (133-pound class), a Senior who also had a fair record, lost in finals of the district. JACK BLANK, (127-pound class), a Senior who did not wrestle as much as the other Seniors, but reached the finals in the district meet. LEO CORTESE, (120-pound class), a Senior who was a better boy than his record would indicate. RODNEY LINTZ, (154-pound class), a Junior who was up against some tough boys this season, but will be back next season to carry on.

BILL STUTZMAN, (145-pound class), a Junior who also wrestled his second year at C. T. H. S., and will be returning next year. BOB NICOLLI, (133-pound class), a Junior and another boy for the squad next year participated in his third year of grappling. DAVID KEAFER, (127-pound class), a Junior who was in his first year as a regular. WALTER FILIMONOV, (120-pound class), a Junior who participated in several bouts as a sub, but will be back next year as a regular. JOHN HAVRILAK, (112-pound class), a Junior who started as a regular but quit after several matches because of an injury. JOHN CHRISTINA, (112-pound class), a Junior who took over after Havrilak stopped as a regular and showed up well in the district competition. CHARLES HORNE. (95-pound class), a Junior. He surprised many by winning several bouts in his first year of wrestling. BILL MORRELLI, (103-pound class), a Freshman who participated in every bout except the district. FRANCIS BRENNEMAN, (103-pound class), a Freshman who also participated only in the district meet and reached the finals. Conemaugh Township's trackmen took the District Five title for the seventh consecutive year as they ended a fair 1945 track season with two first places, one second, and one third.

The Indians' first test came on April 20 at Westmont in a quadrangular meet with Westmont, Johnstown, and Ebensburg. The Indians came out second to a strong Johnstown team. The Twippers showed up well by taking at least one position in each event.

Number two meet was held at Cochran on April 28 with Johnstown, Somerset, Conemaugh Township, and Westmont competing. Johnstown again copped first place with Somerset coming in second and Conemaugh Township third. Elvin Steeg was the only Conemaugh Township man to take a first place. The Warriors took at least one position in eleven of the thirteen events.

On May 11, the Indians broke the ice and took first place in a quadrangular meet at Cresson. The Braves, with 64 points, were again paced by Elvin Steeg, who turned in his best time of the year in the 100-yard dash, 10.2 seconds. Again the Twippers placed in eleven of thirteen events. Their best performance was in the pole vault where they took first, second, third, and fourth. Also participating in this meet were Cresson, Adams Twp., and Hollidaysburg.

On May 19 the Indians traveled to Somerset to take the District Five title. For the second time the Indians placed in each event, taking five of seven track events, and one field event, the pole vault.

Standing out in the 1945 season was Elvin Steeg, a Senior, who was undefeated in the 100-yard dash and suffered only one setback in the 220. This excludes the state meet.
